Product Backlog

There were no changes to the personas and user stories this sprint.

All versions of our personas and user stories can be found in the **Team7** repository in the **product_backlog** folder.

For live updates of our product backlog, our Trello board can be found at:

<https://trello.com/b/mjnsukwg/project>

Tasks

Task: 13 ----- Story Points: 3----- Dependencies: None

Once the user has selected a template to download, retrieve the file from the database and download the file into the user's computer.

Task: 14 ----- Story Points: 6----- Dependencies: None

Reorganize, refactor, and set up code to interact with the database.

Task: 15 ----- Story Points: 4----- Dependencies: None

Use an API to send an email with account credentials during account creation.

Task: 16 ----- Story Points: 1----- Dependencies: None

Write a user help screen to navigate the GUI.

Task: 17 ----- Story Points: 2----- Dependencies: Tasks 13, 15

Write a document on how to test the GUI for the following functions:

- Account creation
- Uploading/downloading templates

Task: 18 ----- Story Points: 3----- Dependencies: None

Create the GUI for an organization user to download templates.

Task: 19 ----- Story Points: 3----- Dependencies: None

Design the database to be able to store templates and client data.

Task: 20 ----- Story Points: 2----- Dependencies: None

Create the GUI for the main menu of an organization user.

Task: 21 ----- Story Points: 2----- Dependencies: None

Create the GUI for the main menu of a UTSC user.

Plan

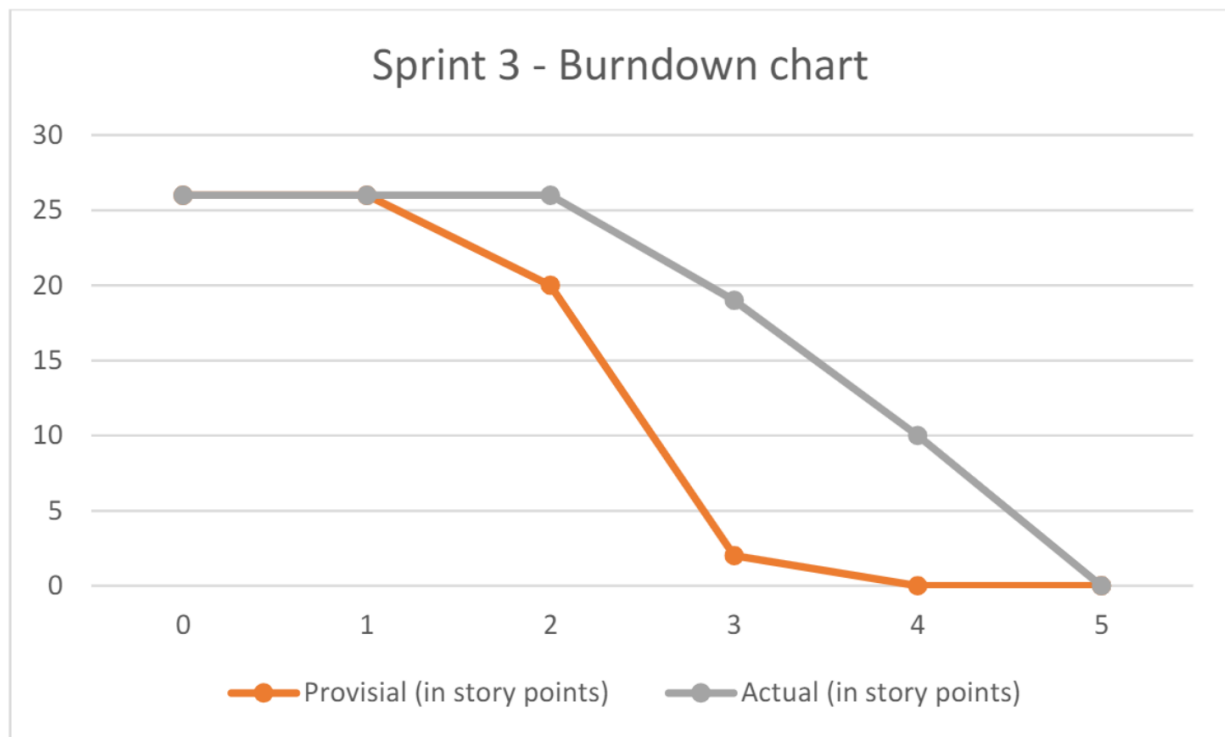

User Stories	Tasks	Dependency	Story Points	1	2	3	4	5
3	13		3			sean:3		
3	14		6	sherry:2	sherry:2	sherry:2		
16	15		4			anthony:4		
18	16		1		eric:1			
1-3	17	T13,15	2				eric:2	
3	18		3		andrew:3			
3-4	19		3			sean:3		
3-4	20		2		andrew:2			
5	21		2			andrew:2		

Execution

User Stories	Tasks	Dependency	Story Points	1	2	3	4	5
3	13		3			sean:3		
3	14		6			sherry:2	sherry:2	sherry:2
16	15		4			anthony:2	anthony:2	
18	16		1			eric:1		
1-3	17	T13,15	2					eric:2
3	18		3				andrew:3	
3-4	19		3			sean:3		
3-4	20		2				andrew:2	
5	21		2					andrew:2

Burndown

Days	0	1	2	3	4	5
Provisial (in story points)	26	26	20	2	0	0
Actual (in story points)	26	26	26	19	10	0

Summary

With midterms over, we've decided to start working more on the project and thus, have increased the amount of story points we burn per week from 20 to 26. This sprint, all tasks that we planned to work on managed to be completed but just later in the sprint than originally planned.
